

Diplomat Says Russia Plotting Against Yugo

Yugoslavian Blasts Soviet At UN Meet

New York, Sept. 24—(AP)—A Yugoslav diplomat accused Russia again tonight of plotting to crush his country. But he said Yugoslavia would not vote against Soviet moves in the United Nations assembly just because they were Soviet-inspired.

Deputy Foreign Minister Ales Bebler made his statement off the floor of the United Nations, where Chile threw the issue into the assembly with a charge that Russia was "hatefully imperialist."

Bebler said in a U.N. radio broadcast (over CBS) that a treason trial in Budapest, "which was intended to prove the existence of a Yugoslav plot against Hungary, has proved in fact the opposite: the existence of a Soviet plot against the independence of Yugoslavia."

International Problem

The lanky Yugoslav lawyer said: "This plot becomes today one of the major international problems. It is pregnant with many consequences. But this is another question and perhaps we can discuss it at some other time."

Delegates expected the leader of the delegation, Foreign Minister Evard Kardelj, to put the issue before the 59-nation general assembly when debate resumes Monday morning.

In Belgrade, Premier Marshal Tito called the trial and death sentence of Lasko Rajk, former Yugoslav foreign minister and police boss, a "war-mongering" act by Hungary. He handed a note to the Hungarian ambassador with that charge.

Tito called the trial a Soviet plot to overthrow the Tito government in Yugoslavia.

Won't Vote Mechanically

Despite the current feud between his country and Russia, Bebler said that Yugoslavia would not vote mechanically in the United Nations assembly.

Chile accused Russia of an imperialist, war-like Red crusade comparable to Hitler's aggressions.

Chilean Chief Delegate Hernan Santa Cruz said Russia is a "flagrant threat to peace."

Santa Cruz hailed as "profoundly logical" the proposals yesterday by Andrei Vishinsky, Soviet foreign minister, that the Big Five make a new peace pact.

He accused Russia of double talk and threatening violent aggression toward Yugoslavia "at the very moment when she is concluding her task in China." Nationalist China already has complained in the assembly that Russia is abetting the Chinese Communists.

The Chilean delegate, who has jabbed constantly at Communist governments in past sessions, cried to the assembly: "We do not think such an attitude will lull the necessary vigilance of the Democratic world."

Halleck Charges Truman Changing US Form Of Rule

Newport, R.I., Sept. 24—(P)—Rep. Charles A. Halleck (R-Ind.) tonight accused President Truman of being "the first President who has openly espoused a program to change the American form of government."

He said a group high in the government, led by Mr. Truman, is attempting to substitute "statism" for "opportunity."

Halleck, House Republican whip, told the New England council of young Republicans:

"We cannot escape the fact that the word today is caught up in a cycle of political despair. It is not a condition peculiar to any one country, it reaches into every corner of the globe."

"Politically, this doctrine of despair travels under many labels. It is called Communism in one country, socialism in another, fascism in another, nazism in another, and so on. But whatever labels you sew on, you still get the same thing—statism."

U. Of I. Has Record Number Of Pupils

Urbana, Ill., Sept. 24—(P)—Enrollment at the Champaign-Urbana campus of the University of Illinois has passed the all-time record high of 19,115 set in 1947 when the campus was bulging with veterans.

George P. Tuttle, director of admissions, announced today the total number of students this year has reached 19,269, compared to 18,821 a year ago. Of these, 15,059 are men and 4,210 are women.

Late For Wedding—He Was Shot By Mistake

Chicago, Sept. 24—(P)—William Bucher, 24, was married today with a bullet wound in his hip and no hard feelings for the policeman who shot him by mistake.

The Tulsa, Okla., mechanic reached the church two and a half hours late for his wedding to Ruth Franke, 24. But it took a good deal of scurrying by police and jail officials to get him there at all.

Bucher's troubles started early today when he stopped in a tavern. Two police detectives entered in search of a robbery suspect. A man being held had furnished the description of his companion in an \$85 holdup.

The police approached to question Bucher. Detective Robert Krause said he fired a shot when Bucher reached for his pocket. The Tulsa man said later he was trying to get out his wallet to show his identification papers.

"Evidently they thought I was reaching for a gun," he said.

Bucher was taken to the jail hospital, where he was cajoled of any connection with the robbery by the man being held.

By then the frantic bride-to-be had enlisted the aid of the marriage

Air Force May Try To Fly Injured Man From Tibet

New York, Sept. 24—(P)—The U.S. Air Force said today it might try to fly injured Lovell Thomas out of a remote Himalayan village—but word from the commentator's son indicated planes were forbidden there.

The son, in a message received today at Thomas' office here, said he hoped to start moving his father by sedan chair Monday on a 16-day trek out of the Far Eastern mountain wilderness.

The 37-year-old radio commentator and author was reported injured when thrown from a horse while in a mountain pass on his way back from Tibet to India.

The Air Force in Washington said it told its air rescue center at Dharam, Saudi Arabia, to stand by.

Collie, Lost Nearly A Year, Shows Up 400 Miles Away

Bay City, Mich., Sept. 24—(P)—"Two Bits," a 9-year-old collie, wandered away last December in Covington, Ky.

His owner, Frederick Howey, searched for two days and then went back home to Dayton, O. "Two Bits," he figured, was gone for keeps.

Last May the Howeys moved to Bay City, a good 400 miles from Covington. Their big, friendly dog was only a memory.

This morning, his tail fagging furiously, "Two Bits" trotted into the Howey's home and licked his master's hand.

Howe had gotten from Kentucky, or how he'd learned his master had moved from Dayton, Howey couldn't say.

The dog had been in Bay City before, while the Howeys visited relatives in a nearby farm, they said. But he'd never seen their present home.

"Let's just put it this way," the smiling Howey said, "it's real good to have him back."

Says Many Send Wrong Fee To Get Driver's License

Springfield, Ill., Sept. 24—(P)—About 15 per cent of applications for Illinois drivers' licenses are held up because the wrong fee is enclosed, Secretary of State Edward J. Barrett said today.

Barrett said many applicants are sending 50 cents instead of the new license fee of \$1. The change was made by the 1949 legislature.

The secretary said such applications are returned to the sender, delaying processing and issuance of the requested license.

He urged motorists accustomed to reassignment of the same license plate numbers to observe the November 1 deadline for reassignment applications. Formerly, motorists had until December 1 to apply.

license clerk, who agreed to issue the license after hours.

The clerk made a trip to the jail hospital and got the necessary information at Bucher's bedside.

Then jail officials went into action. Bucher was wheeled into the operating room and given a shave on the operating table. Meanwhile, inmates and officials were washing, cleaning and pressing his clothes.

Police Commissioner John C. Prendergast sent an aide to arrange the young man's release.

A police captain sent a squad car to take Bucher to the Sheffield Avenue station, where he was booked on a technical charge of resisting arrest. After posting a \$50 bond, Bucher was free.

He shook hands then with Detective Krause and told him he had no hard feelings.

The squad car then took Bucher to his hotel and then on to the church.

The ceremony, before a small group of relatives and friends, went smoothly.

But the couple's honeymoon will be interrupted Monday, when Bucher has to appear in police court to clear up the charge against him.

All Say Revolt Against Hungary Aided By U.S.

Budapest, Hungary, Sept. 24—(P)—Ex-foreign minister Lasko Rajk and two former Communist party officials were sentenced today to death on the gallows for a purported plot to overthrow Hungary's Communist government.

They themselves had testified they worked with Americans and Yugoslavs to toss Hungary under the influence of Yugoslav Premier Marshal Tito.

Two other men were sentenced to life imprisonment and one to nine years in this second Big Hungarian treason trial of 1949. Appeals were entered for all, though Rajk protested that "I consider the verdict justified."

A technicality delayed a decision in the case of the other defendants. Lt. Gen. Gyorgy Palffy and Col. Bela Korondy. The five-judge People's Court ruled it was not competent to deal with them and ordered them held for court martial, though they had admitted government charges as freely as the rest in the six-day hearing.

Gen. Palffy formerly headed the Hungarian army as its chief inspector. Col. Korondy commanded Budapest police. As military personnel, they might be sentenced to death before a firing squad. Hanging in the penalty for condemned civilians.

International Attention

The case attracted the most international attention to Hungary since the treason trial of Josef Cardinal Mindszenty last February. The Roman Catholic primate is now serving a life term.

The sentences, delivered by presiding Judge Peter Janko before a hushed and crowded courtroom:

Death—for Rajk, a poker-faced man of 40 who headed Hungary's police as interior minister before his shift to the foreign ministry; Dr. Tibor Szovenyi, 46, former member of parliament who directed the Hungarian Communist party's Cadre system supervising rank and file members; and Andras Szalai, 32, deputy to Szovenyi.

Life—for Lazar Brankov, 37-year-old Yugoslav who was counsel in the Yugoslav legation in Budapest; and Pal Justus, 44, former member of parliament and vice-president of the Hungarian radio.

Nine years—for Milan Ognyevich, a Hungarian subject of Serbian origin accused of being a Yugoslav spy.

U. S. GOES BACK TO STANDARD TIME TODAY

New York, Sept. 24—(P)—The hour of sleep donated by 50,000,000 Americans last April 24 comes back tonight.

Daylight saving ends officially at 2 a.m. tomorrow in nearly all areas which observed "fast time" this year. Presumably the chore of turning back the clocks will be handled at bedtime.

PLAN CONVENTION

Galesburg, Ill., Sept. 24—(P)—Plans for the annual state convention of the Illinois Republican veterans league here Oct. 22 and 23 will be discussed tomorrow. The league's public relations committee will meet here to arrange final details.

Indict Man Who Sabotaged Plane For Wife's Murder

Quebec, Que., Sept. 24—(P)—A slim, wavy-haired Quebec Jeweler, J. Albert Guay, was formally charged today with murdering his wife, who died with 22 others in an explosion-torn Quebec Airways plane Sept. 9.

Pale and nervous, he was arraigned less than 24 hours after police announced they had proof explosives had been placed aboard the plane to get rid of a woman.

A key witness is Mrs. Arthur Pitre, 40, described as one of several women friends of Guay. She told police she delivered an express package to the aircraft here under the impression it contained "a statue."

Police Inspector Rene Belec described the accused man yesterday as Mrs. Pitre's lover and implied a love triangle was the motive.

The charge made no mention of what police believe caused the plane's destruction—a home-made dynamite bomb. It simply accused Guay of "having Sept. 9 at Sault Au Cochon killed and assassinated Rita Morel (Guay's) your wife."

Police were reliably reported tonight to be on the trail of the manufacturer of the bomb.

Sault Au Cochon is the timbered mountainside northeast of Quebec where the mangled bodies of the 19 passengers—including three top executives of the Kennecott Copper Corporation—and four crew members were found in the plane wreckage.

The 32-year-old prisoner, who worked during the war in a munitions plant, was brought before Judge Alphonse Garon in the court of sessions. He did not enter a plea. The preliminary hearing was set for Oct. 4.

Mrs. Guay was 28. Six other women were among those who perished with her when an explosion in the baggage compartment swung the plane into the mountainside. Police said a \$10,000 insurance policy on her life, payable to Guay, was taken out only a short time before she boarded the plane for Baie Comeau.

VA Sets Deadline For Vets Wishing GI Bill Education

Washington, Sept. 24—(P)—The Veterans Administration set a new deadline—Nov. 1—for the enrollment of veterans who seek to reenter training or to change courses under the GI Bill.

Originally, VA had set an effective date of Sept. 12 for enforcement of regulations under a new law which prohibits veterans from using the GI Bill for recreational or avocational courses. The law also prohibits them from taking courses in institutions which have been in existence less than a year.

Carl R. Gray, Jr., veterans administrator, explained that he ordered the extension to prevent possible hardships to veterans who had not had time to complete plans for entering schools before the original deadline.

After Nov. 1, a new type certificate of eligibility will be required. It will show the course and school the veteran intends to enter. VA said this will enable a quick screening of applications to make sure the training sought is permitted under the new law.

Re-Check Of U. S. Income Tax Being Made In Illinois

Springfield, Ill., Sept. 24—(P)—A far-flung re-check of federal income tax returns is being made in the Springfield internal revenue district of 76 Illinois counties. Collector V. Y. Dallman said today.

Results are in many cases favorable to the taxpayers, Dallman added.

The federal internal revenue bureau in Washington, D. C., has adopted an experimental plan for field investigations. Designated as a "sample audit," it involves a spot check of returns selected at random.

Dallman said the nationwide checks may disclose cheating that some taxpayers believe can be done without discovery. They may disclose, too, whether the taxpayer is receiving a proper refund or paying more than his share.

Tucker Will Start Suit To Keep His Automobile Plant

Chicago, Sept. 24—(P)—Preston Tucker said today he would start legal action to block sale of the 460-acre plant he leased from the war assets administration to build a new type automobile that never got into full production.

The trustees, Aaron Colman and John H. Chatz, announced yesterday that they had reached an agreement with the WAA whereby they were given 60 days to find a buyer for the plant.

"The production of the Tucker car is immediately feasible and full mass production is possible in a short time as long as the Chicago plant is still available to us," Tucker said in a statement.

"The stockholders and dealers are ready and willing to reorganize and refinance the Tucker corporation, and negotiations are underway at this moment for an underwriting of such a program."

Tucker said the corporation is not bankrupt and "has a higher demand today than it ever had."

2 Killed, 3 Hurt In Auto Collision

Chicago, Sept. 24—(P)—Two Chicagoans were killed and three persons were injured today in a two-car collision at a suburban intersection.

The trustees, Aaron Colman and John H. Chatz, announced yesterday that they had reached an agreement with the WAA whereby they were given 60 days to find a buyer for the plant.

The injured, taken to a Des Plaines hospital, were a seven-year-old boy who was riding in Tessa's car; Robert M. Duplain, 33, a Rockford, Ill., salesman; and Duplain's fiancée, Ray Bjorklund, also of Rockford.

The child is unconscious. Duplain suffered a broken right leg.

The accident occurred at Elmhurst and Elgin roads in Elk Grove townships.

Russia Confirms That She Has Atomic Bomb

Stolen Baby Would Be Entering School Now

Dayton, O., Sept. 24—(P)—Little Bobby Thompson, victim of a black market baby kidnapping five years ago, started to school this fall somewhere.

That is the hope today of the little boy's parents, Mr. and Mrs. Arthur Thompson.

Ronnie disappeared with a new nursemaid Oct. 7, 1944. The trail wandered to Detroit, to northwest Michigan, then vanished. Police said he was taken by a ring operating a black market in babies.

They theorized Ronnie would be sold into adoption, perhaps to some couple that couldn't find a legal means of adopting a child.

The Dayton baby—a towhead with a round, smiling face—was 13 months old when he vanished. Now he is six, if he still is alive.

Ronnie now has two brothers he has never seen: Jimmie, 3, and never were.

U.S. Economy Faces Crucial Week

Steel Strike Would Boost Idle To 1,600,000

By The Associated Press

Crucial decisions affecting America's postwar economy may be made this week.

Strikes involving 1,000,000 steelworkers and 115,000 Ford Motor company employees are set for this week. The nation will learn whether the strike of 480,000 coal miners can be settled quickly or will drag on with steadily spreading idleness.

More than 600,000 workers already are idle in strikes involving a dozen industries. A steel strike would boost this number to above 1,600,000, the highest level in the postwar period.

Recess For Weekend

Negotiations between the CIO United Steelworkers union and the steel industry were in recess over the weekend. They will be resumed Monday. Bargaining talks were opened Friday, but they were exploratory with neither side showing its hand.

The thrice-postponed steel strike is now set for 12:01 a.m. Saturday. The main issue is whether the companies should finance pensions and insurance or whether the workers should share the cost.

The nationwide coal strike went through its first week with no sign of a break. But John L. Lewis is slated to resume contact talks with the operators Sept. 29. Some indication of what may happen to the coal strike may become known then.

So far the coal strike has caused the layoff of 31,000 coal carrying railroad workers but hasn't hit industry generally. Stockpiles were generally ample when the miners struck Monday. But if the strike stretches out into a long mine shutdown, industry will suffer a crippling blow.

Southerners Refuse

The miners quit work in protest against refusal of the southern operators to continue royalty payments to the miners' welfare fund. The southern operators said they refused to make the royalty payments until a new contract is signed. The old one has expired.

Lewis says the men won't work until they get a new contract. Some of the operators say they won't agree to wage boosts.

The Ford strike is set for 12:01 a.m. Thursday, but there were high hopes that a settlement can be reached. However, the CIO United Auto Workers union has termed reports of a near settlement "erroneous and without any foundation in fact." But it said its strike deadline might be delayed if no agreement is reached before Friday.

Reduces Illinois Road Repair Costs

Springfield, Ill., Sept. 24—(P)—Charles P. Casey, state public works director, said today contract prices on Illinois road projects for the first eight months of this year averaged 81 per cent lower than in the corresponding 1948 period.

Casey said the state paid \$2,200,000 less for the 1949 highway improvements than was spent for similar work a year ago.

He said improved bidding practices instituted several months ago were mainly responsible for the reduced costs. The total value of road contracts let during the current construction season to date is \$25,901,748, Casey added.

OKLAHOMA TO VOTE ON WET-DRY ISSUE

Oklahoma City, Sept. 24—(P)—A 40-year-old argument over whether Oklahoma shall remain dry or join 46 other states in legalizing liquor will come to a showdown Tuesday in a special state repeal election.

Voters will approve or reject a constitutional amendment permitting the sale of intoxicants. Oklahoma has been dry since 1907.

The lineup for the opening day speaking program includes Soderstrom, Bishop William O'Connor of the Springfield Roman Catholic diocese, State School Superintendent Vernon L. Nickell, and President Woodruff Randolph of the International Typographical Union.

Tass Issue Mentions No Atomic Blast

London, Sunday, Sept. 25—(AP)—Russia said today she has the atom bomb at her disposal but she neither denied nor confirmed President Truman's statement that a nuclear atomic explosion had occurred on Soviet soil.

Tass, official Soviet news agency, in a broadcast dispatch recalled the statement by former foreign Minister V. M. Molotov Nov. 6, 1947, that the atom bomb secret "was already long ago non-existent."

Tass added:

"This statement signified that the Soviet Union had already discovered the secret of the atomic weapon and that it had at its disposal this Construction Blasts"

Tass referred to President Truman's statement Friday that an atomic explosion had occurred in Russia. Then Tass said:

"In this connection, Tass is empowered to declare: In the Soviet Union, as is known, building work on a large scale is in progress: the building of hydro-electric stations, mines, canals, roads, which evoke the necessity of large-scale work with the use of the latest technical means."

"Insofar as this blasting work has taken place and is taking place pretty frequently in various parts of the country, it is possible this might draw attention beyond the confines of the Soviet Union."

These were the only statements mentioning any kind of explosion in the Soviet Union.

Demands Prohibition Of A-Bombs

Tass also said that Russia "intends to continue demanding the prohibition of the use of atomic weapons."

The text of the Tass statement: "As for the production of atomic energy, Tass considers it necessary to recall that already on Nov. 6, 1947, Minister of Foreign Affairs of the U.S.S.R. V. M. Molotov, made a statement concerning the secret of the atom bomb, when he declared that this secret was already long ago non-existent."

This statement signified the Soviet Union already had discovered the secret of the atomic weapon and that it had at its disposal this weapon.

Scientific circles of the United States of America took this statement by V. M. Molotov for a bluff, considering that the Russians could not possess an atomic weapon earlier than the year 1952.

"They however were mistaken, since the Soviet Union possessed the secret of the atomic weapon already in 1947."

"As for the alarm that is being spread on this account by certain foreign circles, there are not the slightest grounds for alarm."

"It should be pointed out that the Soviet government, despite the existence in its country of an atomic weapon, adopts and intends adopting in the future its former position in favor of the absolute prohibition of the use of the atomic weapon."

"Concerning control of the atomic weapon, it has to be said that control will be essential in order to check up on fulfillment of a decision on the prohibition of production of the atomic weapon."

Communism First Issue In New York Senate Election

New York, Sept. 24—(P)—Communism has shoved aside other issues so far in New York's Senate election battle between John Foster Dulles and Herbert H. Lehman.

Dulles, 61-year-old republican nominee and present holder of the Senate seat, charges that communists have marked him as a man who must be beaten.

He insists that Lehman is renouncing Red support in public but is accepting it privately and even counting on it to win Nov. 8.

The American Labor party, which sometimes polls 500,000 votes in the state, did not name a Senate candidate. Leaders of both major parties say the ALP is communist-dominated. Dulles charged that most of the ALP votes will go to his opponent.

Lehman, 71-year-old nominee of the Democratic and Liberal parties, asserts that he never has accepted communist backing in any of his campaign and is not doing so this time.

WEATHER

The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: High, 74; low, 35; and at 6 p.m., 60.

Forecast for Illinois—Fair and warmer today.

DUBIOUS LUXURIES

We can understand congress' hesitancy to cut taxes at a time when a 5-billion budget deficit is looming, but reasonable adjustments are never out of order.

There is the excise tax on jewelry, furs, perfumes and transportation. Many items on this luxury list are not really luxuries and ought to be eliminated. Traveling men need handbags, nearly all of us require alarm clocks.

If you buy oil or talcum powder for a baby, you pay the luxury tax. When did it become a luxury to keep the human race going?

It might be a mistake, but it isn't a luxury.

And when the alarm clock rouses you out of your sleep in the morning and you feel like throwing it through the window—is that a luxury?

EMILY POST TELLS HOW TO DRIVE

Almost a million Americans are reading a new etiquette book by Emily Post. It doesn't deal with how to give a successful party, plan a wedding or reply to an invitation from the governor. The new book deals with motor manners. It tells drivers and pedestrians how to act in traffic.

Here is Mrs. Post's code of courtesy:

1. A well-mannered driver will share the road, never usurping the right-of-way from other vehicles or pedestrians.
2. A well-behaved driver uses his horn as a warning device in emergencies and never as a bad-tempered voice to threaten or scold.
3. An honorable man or woman would no more cheat traffic regulations than cheat at games or sports.
4. Courteous pedestrians will cross busy streets at intersections, respect traffic lights and avoid darting out from behind parked vehicles.
5. An obliging driver will never fail to dim his lights when meeting other cars in the dark.
6. Well-bred people, whether drivers or passengers, are just as considerate of each other as are hosts and guests in a drawing room.
7. An accommodating driver parks his car so as not to interfere with the use of other parking spaces or with the movement of other vehicles.
8. Orderly drivers always keep to the right, except when using the proper lane for turning or passing.
9. A courteous driver never fails to signal his intentions to stop, turn or pull out.
10. Considerate persons always drive at speeds which are reasonable and prudent, considering traffic, road and weather conditions.
11. One who has any consideration for the safety of others will refrain from driving when physically exhausted.
12. Kindly persons never show curiosity at the scene of an accident and always give any assistance that may be possible.

Incidentally, the 48-page booklet is distributed free by many companies and organizations interested in safer driving. It's good reading for those who drive and especially for those learning to drive.

Sisters Wed In Double Rites Here Saturday

Dr. Sherwood Eddy Addresses Rotary Club Friday Night

The situation in China was the basis for a talk given by Dr. Sherwood Eddy of this city, noted author, lecturer and world traveler. Friday evening at a dinner-meeting held by Rotary club in the banquet room of the Dunlap hotel.

Dr. Eddy declared the U. S. dollars sent to China represent a wasted effort, because of the spoils system prevailing in that country, whereby army bigwigs are allowed to profiteer, while the soldiers go unpaid.

Because these soldiers receive no pay, continued Dr. Eddy, they refuse to fight—they sell guns and materials to the enemy, the Communists.

Dr. Eddy predicted that China will not fall, for in the final showdown, those who have sided with the Communists, primarily for protection, will rally for the interests of their native land.

The speaker was introduced by Dr. C. P. McClelland.

President Crit Haneline presided over the meeting. Dean Wendell S. Dwyer was general chairman. The committee in charge was comprised of Robert DuBois, Gerald Cook and Dr. Sam Clark.

A trio of MacMurray students sang several selections. Group singing was led by Edward Bargerly.

The evening also served as ladies' night, with Rotarians and their guests number close to 100. Guests from out of town included Mr. and Mrs. Don Woodward and Mr. and Mrs. E. A. Robertson of Chicago and Mr. and Mrs. Les Corrie of Urbana.

Births

Mr. and Mrs. Wendell Middendorf of Chapin are parents of a daughter born Saturday at 11:24 a.m. at Our Saviour's hospital.

Mr. and Mrs. Lester Kuhler of White Hall are parents of a daughter born Saturday at 9:05 a.m. at Our Saviour's hospital.

Mr. and Mrs. David Orchard of Chapin are parents of a son born at Our Saviour's hospital Saturday at 7:3 a.m.

A daughter was born to Mr. and Mrs. Lester Johnson, 302 Laurel Drive, Saturday at 2:24 a.m. at Passavant hospital.

PARENTS OF DAUGHTER

Mr. and Mrs. Charles Collins, 400 E. Douglas, Jacksonville, are the parents of a daughter, born at 11:14 p.m. Friday in Passavant hospital. Weight was eight pounds, 1 ounce.

Local Couples Exchange Vows At Grace Church

A pretty double wedding took place Saturday afternoon at 2 o'clock in Grace Methodist church, when Miss Frances Juanita Wankel became the bride of Harold Suiter and her sister Miss Irene Jane Wankel, became the bride of Lester William Barfield.

The brides are daughters of Mr. and Mrs. Lloyd Wankel of rural route one, Alexander, Mr. Suiter is the son of Mrs. Mabel Solter, 1015 North Diamond street, and Mr. Barfield is the son of the late Mr. and Mrs. Lester Barfield, Sr.

For both marriages, double-ring ceremonies were used, with the pastor, Dr. Frank Marston, receiving the vows before an altar banked with palms, ferns and baskets of white flowers, arranged amidst a setting of glowing tapers.

Prelude of Organ Music

A fifteen-minute prelude of organ music was presented by Mrs. G. O. Webster, who also played the traditional wedding marches and accompanied Mrs. Agnes Haynes as she sang "Always," "I Love You" and "Prayer Perfect."

Attending Mrs. Barfield was her sister, Mrs. Thomas Smith, who served as matron of honor, and Mrs. Dale Decker, sister of the bridegroom, as bridesmaid.

Mr. Barfield's attendants were Dale Decker as best man and William Briggs as groomsmen and usher.

Mrs. Earl Turner served her sister, Frances, as matron of honor, while Mrs. Marie Williams acted as bridesmaid. Mr. Suiter had as his best man Arthur Butcher, with Earl Turner as groomsmen and usher.

Bradley Wankel, young brother of the brides, was the ring bearer. Carolyn Turner, the brides' niece, was flower girl.

Both Wear White

Both brides were given in marriage by their father, Mrs. Barfield's gown was of white, tulle and satin, fashioned with a sheer yoke edged in lace and long sleeves pointed over the hands. The skirt was accented with panels of Chantilly lace, which extended the length of the gown and edged the flowing train.

Her blusher veil was of illusion, trimmed with Chantilly lace and attached to a halo of seed pearls. White roses, centered with Johanna Hill roses, formed her bouquet.

Mrs. Suiter wore a gown of lustrous white satin, styled with a shadow-sheer yoke of net, Chantilly lace bertha and bridal point sleeves. The skirt featured ruffles of lace at either side and a sweeping train.

Worn with blusher, the lace-edged veil of fingertip illusion, was secured with a seed pearl tiara. Her bouquet was of white and pink carnations.

Both wore pearls. Mrs. Suiter's gift from her husband and Mrs. Barfield's lent her by a friend of the family, Mrs. Elmer Moody. At the time they spoke their vows, each wore a watch belonging to their mother and worn by each of their sisters at her wedding.

Attendants' Gowns Identical
The gowns of the bridal attendants were identical in design, being fashioned of taffeta and marquisette, with scalloped yoke, fitted bodice and full skirt. Each wore a headpiece and carried a matching colonial bouquet of mixed flowers.

Mrs. Smith was attired in blue. Mrs. Decker, yellow. Mrs. Turner, Nile green, and Mrs. Williams, orchid.

Following the rites, a reception was given at the Wankel home near Alexander, with 700 guests in attendance. The two wedding cakes were cut and served with other refreshments.

For receiving the guests, Mrs. Wankel chose a black dress of satin and crepe, with which she wore matching accessories and a corsage of pink roses. A dress of black faille with matching accessories was worn by Mrs. Solter. Her corsage was of red roses.

To Reside Here

The couples then left on their wedding trips. Upon returning from the Ozarks, Mr. and Mrs. Barfield will reside on Hardin avenue. Mr. and Mrs. Suiter will make their home at 344 West College avenue after they return from Wisconsin.

For traveling, the sisters chose identical satin dresses. Mrs. Barfield's in blue and Mrs. Suiter's in green. They wore corresponding accessories and the corsage from their bridal bouquets.

Mrs. Barfield, a graduate of the Ashland High school, has been employed at the New Method Book bindery. Her husband attended schools in Chapin and Jacksonville and is employed by Swift and Co.

Mrs. Suiter was graduated from Jacksonville High school and is employed at the Dunlap hotel. Mr. Suiter, who attended schools in Chapin, is an employee at the Jacksonville State hospital.

Motorecycle Rider Slightly Injured

Carrollton—Gale Brock, son of Mrs. Dorothy Brock of this city, escaped serious injury Thursday noon when the motorcycle which he was riding and a car driven by Bruce Dawson collided on North Main Street.

Brock was taken to the Boyd Memorial hospital where he was found to be suffering from a knee injury and bruises. He returned to his home following the examination.

AT HOSPITAL

Group Six of the Woman's Council of Central Christian church met Friday afternoon at the home of the leader, Mrs. Allen Biggs, with Mrs. Jack Henry as assistant hostess. Twenty-eight members were present.

The business session was conducted by the leader. Committee heads were introduced and presented their reports. Plans for future work of the group were made.

Mrs. Lila Harper led the devotion. The missionary program was given by Mrs. George Douglas.

At the close of the meeting, refreshments were served.

Entre Nouse Presents Gift To Miss Mollenbrook

Miss Mary Rose Mollenbrook, who is to be married on Oct. 1, was presented a gift of silver by members of the Entre Nouse Toastmistress club at their meeting held at Hamilton's cafe. The presentation toast was given by Mrs. Marie Sauer.

The meeting was conducted by Mrs. Helen Curtis, acting in the absence of the president, Miss Eleanor Ring, who is on vacation.

Mrs. Gerri Taylor served as topic mistress, calling on Miss Helen Devlin, who spoke on the subject, "To Be," and Miss Catherine Senitz, whose topic was "Bills."

A report of the national convention held in St. Paul, Minn., was given by Mrs. Curtis.

The next meeting will be on Oct. 19.

Group Five Discusses Plans For Future Activities

Plans for future activities were made by Group Five of the Woman's Council of Central Christian church at its first meeting of the season, held Thursday afternoon at the home of Mrs. Maurice Bonds, 1047 North West street.

One of the events planned was the annual turkey supper and bazaar. It was decided to hold meetings on the fourth Thursday of each month.

Twenty-one members were present, responding to roll call by giving their phone number. Devotions, the subject of which was "Stewardship," were led by Mrs. Meda Jenkinson.

Miss Minnie Green, leader, presided over the business session.

During the social period, refresh-

ments were served by the hostess, assisted by Mrs. Clifton Hungerford. The next meeting will be held at the home of Mrs. Glenn Skinner, 807 South East street, with Mrs. Charles Nichols as assistant hostess.

Baumgartner and Campbell Nuptial Ceremony Friday

Carrollton—Miss Betty Campbell, daughter of Mr. and Mrs. Ray Campbell of Jacksonville, became the bride of David Baumgartner, son of Mrs. Elizabeth Baumgartner of this city, Friday, Sept. 23, in a ceremony performed by the Very Rev. Michael Enright in the St. John's church parsonage. The couple were attended by Miss Bernice Ludwig and William Wilson both of Jacksonville.

Following the ceremony Mr. and Mrs. Baumgartner left on a wedding trip into Tennessee and upon their return they will make their home in apartments at the home of the groom's mother, Mrs. Elizabeth Baumgartner.

Mrs. Baumgartner is a graduate of the Jacksonville Township High School class of 1947 and was employed prior to her marriage as cashier in the Tri City Grocery in Jacksonville.

Mr. Baumgartner is a graduate of the Greenfield Community High School class of 1938. He served for two and a half years in the U. S. Army during World War II spending a year and a half in the European war zone. He is now employed by the Camerer Shell Service in this city.

Funeral Services

P.T.A. Entertains At Reception For Chapin Teachers
 Chapin—The Chapin Community P. T. A. entertained at a reception in honor of the teachers of the grade and high schools. A potluck supper was served in the new dining-room of the grade school. The meeting was called to order by the president, Mrs. Verne Smith. The unit

superintendent, Mr. Chapman, and the teachers of the grade school were introduced by Clifford Hess, principal. They are Mrs. Paul Aufdenkamp, Mrs. Henry Smith, Mrs. Russell Brochhouse, Miss Agnes Wilker and Albert McCarty. Mrs. Peak and Mrs. Herman Lakamp were unable to attend.
 The high school teachers were introduced by Mr. Gehart, principal. They are Mrs. Bernard Unken, Mrs. Robert Taylor, Miss Sturm, Miss Reed, Paul Blakeman, and Paul Habben. James Fox was unable to attend. Others also introduced were Mrs. Chapman, Mrs. Gehart, Mrs. Blakeman, Mrs. Habben, and Mrs. Hess.

A short business meeting followed. The Chapin Four, a quartet composed of Robert Weber, John Rankin, Carlos McDaniel, and Walter Unken, sang a group of songs. The meeting closed with the group singing of "The Star Spangled Banner," led by Mrs. Henry Smith, music instructor of the grade school.
 The meeting was held in the new dining-room, where the hot-lunch program for the schoolchildren is carried out.

BEREA CLASS PLANS CHURCH HOMECOMING

Plans for the annual homecoming of Berea church next month were discussed at a meeting of the Loyal Berea class recently in the church basement. Jesse Petefish, president, presided.
 Chester Stewart had charge of devotions. Mrs. Cecil Zachary and Mr. and Mrs. Hugh Norfleet conducted contests, won by Richard Norfleet and Albert Nall's groups.
 Mr. and Mrs. Clyde Martin and Mrs. Albert Nall served refreshments.

THE DOCTOR SAYS
Split Personality
Due To A Common
Medical Disease

By Edwin P. Jordan, M.D.
Written for NEA Service

A rather common mental disease goes under the tongue-twisting names of schizophrenia or dementia praecox. This disorder is responsible for a great deal of anti-social behavior; in many cases persons ill with this disease require institutional care.

A "splitting" of the personality is the most characteristic feature. The afflicted individual may show thoroughly normal behavior in some respects and yet be completely abnormal in others.

The most prominent early symptom is likely to be a change in the outlook of the victim. Sometimes a patient will show an unusual amount of suspicions. Dear friends or relatives may be unjustly suspected of persecutions. Quite often the first signs consist of disorderliness and lack of cleanliness.

Judgment is often impaired. The patients frequently complain of hearing or seeing strange objects which are not there. Peculiar qualities to the thinking arise. The personality is likely to become gradually altered.

Causes Difficult To Find

The cause of schizophrenia is not known. Heredity probably plays some part. It has been stated that more than half of those with schizophrenia have some family history of mental illness.

Of the modern treatments available, the various shock methods seem to be the most promising. Shock treatment may have to be repeated a good many times and, of course, must be given under the direction of thoroughly qualified specialists. It does not help in all cases, but it certainly offers hope for many who could not have been helped 30 years ago.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS
By Edwin P. Jordan, M.D.

QUESTION: Having had phlebitis in both legs when a child, would it have any effect on the heart?

ANSWER: Almost certainly not. If the recovery from the phlebitis was complete there should have been no permanent effect on the heart.

LADIES' SHOP Carrollton High School Teacher Resigns Position

Carrollton—James Rutledge of St. Louis, who recently accepted a position as music director in the Carrollton public school and director of the Carrollton community band, has resigned his position because of ill health. Upon the advice of his physician he will give up teaching for a year and take several weeks of complete rest. The vacancy caused by the resignation of Rutledge on the school staff has not been filled as yet.

Miss Betty Ann Siebermann, daughter of Mr. and Mrs. Oren Siebermann, was elected president of the Dramatics club of the Carrollton high school. Other officers elected were Miss Joyce Ballard, vice president, and Miss Mary Eldred, secretary treasurer.

Miss Virginia Lou Hutchens, Jack Tapp and Dick Wilson were appointed members of a committee to plan the club program for the year. The next meeting will be held Oct. 3.

PATTERSON

Patterson—Bill Burton, vice-president of the Community club for this year, has announced that the first meeting will be held, Friday evening, Oct. 14. Committees will be named later.

Mrs. Gertrude Springgate has returned to her home here after spending the past week with Mr. and Mrs. Alvin Springgate in Alton, following her release from Our Saviour's hospital.

Mr. and Mrs. Lonnie Taylor and family of White Hall and the Misses Bertha and Myrtle Taylor were Sunday dinner guests in the Ed Taylor home.

Mrs. Edith Patterson and Mrs. Bertha Nicholson attended a Royal Neighbor potluck supper, recently at the home of Mrs. Lavety Coates, Hillview.

Mrs. Edna Haney and Mrs. Eileen Steelman and son, Teddy, of Glasgow spent Thursday with their mother, Mrs. Cora Bain.

ASHLAND

Ashland—Mrs. Emerson Thornly is a patient in Our Saviour's hospital.

Miss Katherine Campbell left this week for Fulton, Mo., to enter her senior year at William Woods women's junior college.

Franklin Fayve, a senior, was injured Tuesday in baseball practice at the local high school.

Ralph Webber spent several days this week in Chicago as a guest of the Standard Oil company. The trip was awarded to all agents having sold 100 barrels of oil this year.

Mrs. Franklin Collins is a surgical patient at Passavant hospital.

John Baxter has entered Northwestern university at Evanston.

Mr. and Mrs. Ray Shortridge returned home this week from a two week vacation in Milwaukee, Wis., at the home of their daughter and family, Dr. and Mrs. George Moore.

Carrollton Future Homemakers Name Chapter Mother

Carrollton—Mrs. James Short was chosen chapter mother of the F.H.A. for the second consecutive year at a meeting held Sept. 19 in the home

economics room of the public school. The speaker was Miss Betty Ann Siebermann, a member who represented the club at the State F.H.A. leadership camp this summer at East Bay, Bloomington. Miss Siebermann exhibited some of the work which she did while attending the handicraft classes at camp.

Henry Sathaler, Ronald Byland, Joe Wagner, Norman Evans, Ray Anderson and Richard Ross were the "Greenhands" initiated into membership in the Future Farmer's of

America at a meeting held Sept. 19 in the vocational agriculture building. Greenhands who were unable to attend the initiatory ceremonies were Sam Meldrum, Chalmer Darr and Vernon Short.

Following the initiatory work, the chapter members had a short business meeting with Joe Johnson, son of Mr. and Mrs. Irwin Johnson, presiding.

Refreshments were served the group by the girls of the F.H.A. chapter.

SKILL PAYS OFF IN BOTTLE WASHING

Sydney—(AP)—There's a \$4 a week skill margin for bottle washers in Australia. This margin is on top of the basic wage—\$20.80 in Sydney.

The rate was set by Conciliation Commissioner D. V. Morrison on the application of the Liquor and Allied Trades Employees Union. Morrison said the award will apply to persons employed in bottle stores or bottle yards.

With the Oliver Superior 26 Drill you can fertilize the crop as you plant it. Include the grass seed attachment, and you can sow soil-building legumes at the same time.

You have a choice of 13 different seeding rates for small grains—13 for large seeds such as soybeans . . . plus a choice of 90 different fertilizer distribution rates!

No bunching or skipping! The Double Run Force Feed measures out the grain kernel by kernel. Seed is deposited at identical depths in every furrow. Germination is quicker . . . growth and maturity are uniform.

Stop in next time you drive by. We'll be glad to give you complete information on the many models of Oliver drills and planters that are made.

Vote On Oaklawn Tax Not Needed This Year

Morgan county officials have determined that an election on the question of levying taxes for the support of Oaklawn sanatorium will not be necessary at the November election this year, as the present authority for the levy extends through 1950.

Plans for submitting the proposition to the voters this fall were dropped after State's Attorney Albert Hall furnished the commissioners and clerk with an opinion that an election would not be necessary or legally advisable this year.

The state's attorney discussed the situation with a representative of the attorney general, explaining that provision for the tax levy extends through 1950. It was determined that an election will not be necessary until next year.

State's Attorney Hall advised that the county board should hold its September, 1950, meeting open until after the November election in 1950, and then immediately make such levy as the electorate has decided upon in the election of November, 1950.

Plan Volunteer Air Reserve Unit In Jacksonville

The first of several preliminary meetings to organize a volunteer air reserve training flight in the Jacksonville area will be held Monday evening, Sept. 26th at 7:30 o'clock at the court house.

The meeting was called by Col. John W. Larson of this city, who will preside and explain the purpose of the proposed new unit.

If such a unit is organized it will give all air reserve personnel in this

area an opportunity to retain their reserve status and earning points toward retirement. The unit instructor from Scott Air Base will be on hand to give a complete picture of the new air reserve program and to answer questions.

First in Series of Religious Talks Set For Monday

The first in a series of religious talks planned for young boys in this community will be held Monday at 7:30 p.m. at the Y.M.C.A. Youth Center, at which time Rev. Lewis N. Raymond, pastor of State Street Presbyterian church, will discuss "The Life of Jesus."

This series of four inspirational addresses by local ministers is being sponsored by Hi-Y, in cooperation with the Ministerial association. All young boys in the community, regardless of their religious affiliations, are cordially invited to attend. They need not be members of Hi-Y.

In the event that the attendance is too large to be accommodated in the "Y" club rooms, the session will be held in one of the local churches.

WHEAT FIRM; BUYERS FIND OFFERING SCARCE

Chicago, Sept. 24.—(P)—Wheat futures firmed in late trading today, with buyers finding offerings scarce. Soybeans showed more action than grains and dipped more than a cent at times.

Cash wheat was steady to firm, and this encouraged some wheat buying. There was little in the news to interest traders, but they showed little inclination to sell most of the time. Government bids for cash wheat were reported unchanged.

Soybeans slumped on hedge selling against purchases of cash beans in the country. Also leading to some selling was the belief that more hedging will enter the market Monday, due to harvest operations now under way.

Wheat closed 1 to 1 1/2 higher than the previous finish, December \$2.12 1/2. Corn was 1/4 up to 1/2 down, December \$1.15 1/2. Oats were unchanged to 1/4 up, December 67. Rye was 1/2 lower to 1/4 higher, December \$1.42 1/2.

Soybeans were off 1/4 to 1/2 cents, November \$2.25-\$2.24, and lard was unchanged to 8 cents a hundred pounds lower, October \$10.95.

Estimated receipts of grain in cars: wheat 39; corn 138; oats 17; rye 1; barley 38 and soybeans 63.

Corn receipts included 10 cars for the account of the CCC.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 24.—(P)—Livestock prices were nominally steady today but showed a considerable loss from prices a week ago.

Hogs were nominally steady today with a nominal top of \$20.50. Hog prices worked downward all week in line with sharp declines in some fresh pork cuts. Outside orders for hogs also were light and local demand was narrow.

Compared with a week ago, butchers over 200 pounds were \$1 to \$1.50 to \$2.50 off, and sows were down \$1. The week's top was \$21.25, paid Monday.

Streets grading average—choice and better were steady compared with a week ago, but lower grades were unevenly 50 cents to \$2 lower. Choice heifers were scarce and steady but others were 50 cents to \$1.50 off. Cows also were 50 cents to \$1.50 down. Bulls and vealers were \$1 to \$1.50 lower. The early top on choice to prime steers was \$34.75, but the later top was \$34.

Slaughter lambs were off \$1 to \$1.50 compared with a week ago, with an early top of \$24 and a closing top of \$23.25. Yearlings were 50 cents to \$1 lower. Sheep were strong to 50 cents up.

Salable receipts today were 300 hogs, 500 cattle and 100 sheep.

WIFE BRINGS SUIT ASKING ANNULMENT

Agnes S. Amaral has filed a complaint for annulment of her marriage to John J. Amaral, charging that he had a wife by a former marriage when they were married Oct. 5, 1948. Separation occurred Nov. 5 the same year. The plaintiff is represented by Russell J. Alvarez, attorney.

A decree of divorce was asked by Carolyn Ann Laughary in a suit filed against Chelsea Dale Laughary, whom she accused of cruelty. They were married Nov. 9, 1946. Mrs. Laughary is represented by Andrew A. Ormiston, attorney.

George Mader of Waverly Chairman Of U. of I. Dads

Geo. Mader of Waverly will serve as the 1949-50 Morgan county chairman of the University of Illinois Dads Association. Pres. John P. Wham, Centralia, announced Saturday.

The annual fall meeting of the county chairmen will be held Nov. 4 at the University of Illinois Robert Allerton Park, near Monticello, preceding the association's annual meeting, Nov. 5. Both meetings are scheduled as part of the program for the U. of I. Dads Day week-end, including the Illinois-Indiana game.

Dean of men E. E. Stafford, association executive secretary, reports a membership of more than 1,600 fathers of U. of I. students, with indications that the total will reach 2,500 by November.

County chairmen, meeting Nov. 4, will have an afternoon social hour and inspection of the extensive Allerton estate, a business meeting and dinner, and will adjourn to the Urbana campus for special entertainment planned for dads and other guests.

Veterans Should Consult I.V.C. Regarding Claims

Many veterans whose claims for compensation or service-connection have been denied or disallowed are unaware of the full meaning of the decision in their cases the Illinois Veterans commission pointed out Saturday.

Often times the letter informing the veteran or the dependents of veterans that their claims have been disallowed is merely an invitation to present more evidence to support the claim.

Those veterans receiving such letters from the Veterans Administration should not feel that they have been discriminated against and drop their claim but instead take the letter to the nearest office of the Illinois Veterans Commission.

Service officers of the IVC are experienced and qualified to interpret VA rulings and many times will be able to advise and assist the veteran in securing additional evidence so that the claim may be allowed or approved.

In some instances service-connection is granted but not to a "compensable" degree. This means that the illness or injury is agreed to have been caused in service or as a result of service but not to such a degree as to warrant payment of compensation.

In a case of this kind the veteran who believes he is disabled enough to warrant compensation must provide additional evidence to prove that his disability is greater than his original claim indicated.

All veterans whose claims have not been satisfactorily decided should visit their nearest IVC office at once, and have their cases re-analyzed.

In Morgan and Scott counties veterans can receive assistance at the IVC office located at 6-7 Morrison Block in Jacksonville. Every Wednesday in the court house in Winchester Frank Robinson IVC service officer maintains office hours from 8:30 a. m. to 4:30 p. m.

Stranahan, Cisco To Meet For Golf Amateur Crown

St. Louis, Sept. 24.—(P)—Frank Stranahan, Toledo, Ohio and Walter Cisco, of Louisville, Ky., today earned the right to meet in a 36-hole match for the Western Golf Association's 47th amateur championship.

They'll settle it in morning and afternoon rounds over the baffling 6,505-yard Bellerive Country club course tomorrow.

Stranahan, who won the meet in 1946, captured his semifinal match with James Frisina, former Illinois amateur champion from Taylorville, 5 and 4.

Cisco, a young Louisville lawyer, ousted his good buddy, Hord W. Hardin of St. Louis, 2 and 1. Stranahan advanced with comparative ease to his third western amateur final in as many tries.

Hardin, tournament chairman and also a lawyer, who had urged Cisco to participate in the meet, made a great battle of it before bowing out on the 35th hole.

Trying desperately to stay for his home club gallery, Hardin missed a 10-foot putt on the 17th that would have prolonged the match.

Eastern Outlasts Quincy 19 To 13

Charleston, Ill., Sept. 24.—(P)—Eastern Illinois State College lost its season opener to Quincy College today, 19-13. Eastern had taken a 13-0 halftime lead.

Eastern scored both touchdowns with four minutes left in the first half. Quincy scored two in the third and one in the fourth quarter.

Bill Crum plunged two yards for Eastern's first tally. Gus Abney converted.

Quarterback Howie Boudreau passed to Earl Henoch for 22 yards and the last Eastern touchdown.

Hank Constantino went over twice for Quincy on long runs and Bob Brunette got the other on a quarterback sneak from the one foot line.

Franklin Beats Eureka 14 To 7.

Eureka, Ill., Sept. 24.—(P)—The Franklin Grizzlies beat back a late rally by Eureka to beat the Red Devils in the second annual Pumpkin Bowl game today, 14-7.

Franklin scored early after picking up a Eureka fumble. Joe Platt going around end for five yards and the touchdown. In the third quarter Platt drove off tackle for 32 yards to score again. Fred Louis made both conversions.

Eureka marched 63 yards in the fourth quarter for its touchdown. Warren Seibert scored from the 11-yard line.

Normal Defeats Indiana 28 To 0

Normal, Ill., Sept. 24.—(P)—Illinois State Normal university, favorite for the 1949 Illinois Intercollegiate Athletic conference championship, won its opening game from Indiana State here today, 28 to 0. Indiana State was outclassed at every stage of the non-conference game.

Normal made 329 of its 378 yards on the ground, although flashing an aerial attack.

Dean Burridge, junior halfback from South Clinton, Ia., and Dick Baldini, senior from Highwood, were Normal's outstanding ball carriers. The stout Normal line, however, won the cheers of the crowd as it refused to give an inch.

Normal made 14 first downs to Indiana State's six.

OKLAHOMA WINS 46-0

Boston, Sept. 24.—(P)—Oklahoma's Sugar Bowl champions launched their 1949 grid campaign tonight by walloping Boston College, 46-0, before a crowd of 36,241 at Braves Field.

Cards Squeeze 3-2 Decision From Cubs, Preserve League Lead

St. Louis, Sept. 24.—(P)—Fireman Ted Wilks squelched a ninth-inning Chicago rally which had produced two runs and put the potential tying and winning runs on the bases, to give the league-leading St. Louis Cardinals a trembling 3-2 triumph over the last place Cubs tonight.

The victory enabled the Redbirds to preserve their half-game margin over the Dodgers, who whipped the Philadelphia Phils, 6-1, in Brooklyn.

Wilks, making his 56th relief appearance for the Redbirds, relieved Starter Gerald Staley with runners on first and second and only one out. Four singles by Frank Baumholtz, Hal Jeffcoat, Forrest Burgess and Bill Serena had furnished the first two runs of the game for the Cubs, and sent the young right-hander to the showers.

Wilks kept the runners glued to their bases as he held Herman Delch to a long hoist to Chuck Diering in center for the second out. The suddenly perspiring crowd of 22,077 uttered a sigh of relief when Roy Smalley swung and missed a fast ball for the third strike to end the game.

The defeat was the Cubs' 90th of the campaign which tied them with last year's sorry crew as the losingest club in Chicago history. No Windy City outfit ever dropped more than 90 games in one year.

Air-Minded UCLA Overcomes Iowa In 41 To 25 Tilt

Iowa City, Ia., Sept. 24.—(P)—The air-minded Bruins from the University of California at Los Angeles punctured a leaky Iowa defense today for a 41-25 intersectional football victory.

UCLA, winning its second straight game for its new coach, Henry (Red) Sanders, broke the contest wide open with three touchdowns in the third period after recovering Iowa fumbles.

The Bruins, who came out of the west by plane to be the first Pacific Coast conference team to appear in Iowa Stadium, did most of their traveling against Iowa in the air.

They shocked a record home opener crowd of 43,546 with their haste in building their lead to 34 to 12 after holding only a 14-12 halftime advantage.

Iowa picked up two fourth quarter touchdowns in six minutes on a six-yard dash by Duane Brandt and a 14-yard pass, Glen Drabin to Jack Dittmer. Don Comack added Iowa's only successful try for an extra point.

But UCLA used eight minutes on its sixth touchdown. Ernie Johnson got the six points on a two-yard sweep.

Braves Defeat N. Y. Giants 6-4

New York, Sept. 24.—(P)—Four home runs, three of them in succession by Bob Elliott, accounted for all of the Boston Braves' runs today as they defeated the New York Giants, 6 to 4, in the opener of a three-game series.

Elliott's three blows, bringing his season total to 17, powered five runs across, and pitcher Warren Spahn sank one into the right field seats for the sixth. Two of Elliott's homers were off Larry Jansen, the third off Adrian Zabala.

The victory made Spahn the first 20-game winner in the National League this season. Bobby Thomson of the Giants pounded his 27th homer in the sixth with one out. Boston.....201 102 000-6 7 0 New York.....010 002 010-4 9 0 Spahn and Crandell; Jansen, Zabala (6), Higbe (9) and Western; HRRs: Bob Elliott (3) and Spahn; New York—Thomson; losing pitcher—Jansen.

Tab Jerseyville And Greenfield Fray Tops In Valley This Week

By Bill Chipman

Most watched game on the Illinois Valley conference schedule will pit Greenfield against Jerseyville on the Jersey county turf this coming Friday night.

The two elevens are considered the biggest threats to Pittsfield's defending champions. This crucial game in the league-opener will go a long way toward deciding which will be an Ivy threat along with the Saukees.

It will be Dean Cochran's running for Greenfield against the double punch of Bridgewater and Thurston for Jerseyville. Cochran has tallied nine touchdowns in two games this season. He is big, rugged and an exceptional broken field runner.

Thurston and Bridgewater carry more speed than any back besides Cochran, on the Greenfield team, and both have proved to be capable ground gainers in Jerseyville's two games to date.

Kennedy is palming the ball far out in an effort to regain his balance. M. Wessler (71) and D. Wessler (61) Arenzville backs are trailing the play. Routt thumped Arenzville 25-14 in its 2-C conference inaugural.

Illini, Iowa State Battle To 20-20 Tie; Irish Clout Indiana

Champaign, Ill., Sept. 24.—(P)—Iowa State and its new "V" formation, guided by Passer Bill Weeks, unharnessed three long scoring drives to hold favored Illinois to a 20-20 stalemate in the Illini's football opener today.

After Iowa State, a 28 point underdog, gained a 7-0 halftime lead, Illinois popped to life with a pair of touchdowns in the first five minutes of the third period to the delight of 31,106 home boosters. The Cyclones then rolled 76 yards for a payoff and trailed only 14-13 at the end of the third as Joe Brubaker's conversion attempt was wide.

Illinois again flared for a 20-13 lead at the outset of the final after Dick Raklovits 42-yard runback of a kickoff ignited a 46-yard scoring push in seven plays.

Iowa Deadlocks Score

But Iowa State bounced back on an 80-yard surge featuring Weeks' 38 and 15 yard tosses to Jim Doran. Weeks eventually rammed over from one foot and Brubaker's perfect placement deadlocked the score 20-20.

Illinois only sustained drive carried 62 yards to the Iowa State two with four minutes of the game remaining. Then signals got crossed and Quarterback Bernie Krueger lost eight yards when he could not find a carrier on a handoff play.

Weeks hit Doran for two 20 yard tosses carrying to the Illinois 10 as the game ended.

Iowa State kept switching from the "T" to the puzzling "V" which has the quarterback and fullback facing each other about five feet apart with a halfback behind them pointing to the line. The other halfback is on the wing.

By Quarters:

IRISH BLAST INDIANA 49-6

South Bend, Ind., Sept. 24.—(P)—It was the same old juggernaut Notre Dame, plus some frisky new hands, as the lightning Irish touched off a bid for a fourth straight unbeaten season with a 49-6 clouting of Indiana's outmanned Hoosiers today.

From a modest 16-6 halftime advantage, the Irish rolled up 20 points in a devastating third period and 13 more in the final quarter for their 29th straight game without defeat.

An inaugural crowd of 53,844 watched the Hoosiers start gamely and then collapse under the rapier thrusts of Notre Dame backs and bludgeoning defensive play of Irish forwards.

The tangle marked the 32nd time the two elevens have met in a series that started in 1903. In that time the Hilltoppers have won but seven games. The last I.C. win came in 1939 concluding a win skein of three straight over the Millikinites. '37-'38-'39. Friday night's tie was the second time in the ancient rivalry that the two outfits have deadlocked.

The Millerman lack an impressive lifetime record over the eastern Illinois collegians, but with such an impressive crop of underclass prospects coming on, we're here to find that Blueboy hopes are looking up. Not only against Millikin, but every opponent.

Millikin coach Whitey Kell invaded the Blueboys' home forts with a staff that would, numerically, well represent a much larger school. The Big Blue squad numbered 40 players. Kell used about 20 against a Hilltopper eleven that boasted several 60 minute gridders. Lack of reserves, a problem that coaches Miller and Brooks faced last year, is apparently going to weaken a starting eleven that would, under different circumstances, rise to great heights as a small college ball club.

As a racehorse is wreathed after winning a gallop, a garland of roses should bedeck Blueboy Don Smith. Smith, billed as a second string quarterback in pre-game drills, was slated to see action as a defensive back. He did such a fine job of running back Millikin punts that, at halftime, head coach Miller briefed him on the right halfback assignments and he finished the game running from that position. Miller made the quick shift in order to leave quarterback Bob Grove in the game and further strengthen his trio of running backs. A shot in the dark that worked.

We'd like to compliment every outstanding Blueboy griddier for a job well done in their seasons inaugural. Unfortunately time and space do not permit listing everyone and that's what we'd have to do should we undertake such a task. All the boys were out of the top drawer in the football dresser. We predict a great season for Illinois college.

The city street project isn't the only crowd stopper in Jacksonville, so Joe Boyle of the Jacksonville Novelty Co. reports. Since the National League pennant race has tightened down to the last thread, baseball fans have clogged East State street in front of his store to witness the action that has ensued at Sportsman's Park, St. Louis where the Cardinals are sprinting for the NL flag only half-a-game in front of the red-hot Dodger.

Friday night White Hall journeys to Pittsfield and Coach Glenn Smith's Saukees are expected to keep their long conference win skein intact.

Carrollton At Winchester

The other Friday night tilt finds Carrollton, the surprise team of the conference, at Winchester.

Coach Bradley's Hawks run from a short punt formation. Bob Grainer is proving himself a mighty strong line plunger. His brother, George, who is 15 pounds heavier at 205, gives the Hawks a pair of rugged line backs. From their play so far the Hawks rate a slight edge over Carrollton's up-and-coming Wildcat eleven.

Of all foods, milk has the highest food value.

Augustana Whips Elmhurst 54-0

Elmhurst, Ill., Sept. 24.—(P)—Augustana College of Rock Island scored 33 points in the final quarter to romp over Elmhurst, 54 to 0, today in a little nine conference football game.

The visitors led 14-0 at the half and 21-0 at the end of the third quarter. Forrest Anderson and Art Whalen each scored three times. Perry Ross kicked six extra points. The contest was the season opener for both teams.

Red Sox Blanks Yanks 3-0 To Edge Closer To Lead

Boston, Sept. 24.—(P)—Ellis Kinder, a 35-year-old Tennessee "Boy" with an acrobatic curve, halved the New York Yankees lead today with a six-hit 3-0 triumph that boosted the steaming Boston Red Sox within one game of first place in the American league race.

Victory number 23, the last 13 in succession, enabled Kinder to give the Red Sox the jump in this vital series that probably will decide the pennant.

Here's the situation, going into tomorrow's final game at Fenway park where Boston has won its last 20 starts:

	W.	L.	GB	Play
New York93	54	..	7
Boston92	55	1	7

It will be Mel Parnell, stylish left hander with a 24-7 record for Boston in the finale against Allie Reynolds (17-5) for the desperate Yanks.

Beaten three times in their last four starts, the Yanks rolled over and played dead before Kinder's brilliant performance. Ellie never allowed more than one hit an inning, struck out five and walked only four. Only one of the hits was an extra baser and that was by Phil Rizzuto, who led off the eighth with a double but was left cold and dry.

It was the second shutout loss for the Yanks who have never been out of first place all season. Another Red Sox win tomorrow would send the teams back to the Yankee Stadium Monday tied for first.

Ed Lopat, first of 23 enemy lefties to go the route at Fenway all season, was nipped for two runs in the second and Ted Williams' 425 foot homer, his 42nd, in the third.

Wildcats Get Off To Good Start; Whip Purdue 20-6

Evansville, Ill., Sept. 24.—(P)—Northwestern got off to a driving start in the Big Ten gridiron championship race today by bowling over Purdue, 20 to 6.

The 1949 Rose Bowl winners, held in check during the closely played first half, shifted into high gear in the third period.

In that session a crowd of 48,000 saw Northwestern strike for two touchdowns in a total of four plays. Each team scored once in the second period at the end of long drives.

Purdue showed strength, but was handicapped by the loss of Harry Szulborski, leading ground gainer of the past two years. He was kept on the sidelines by a leg injury.

In the second period, Purdue counted when Ken Gorgal lunged over from a half yard out at the finish of a 54 yard drive. The try for extra point by Rudy Trbovich was blocked.

The Wildcats came back to travel 51 yards in 12 running and pass plays. Johnny Miller smashed for the touchdown from the one foot line. Eddie Nemeth converted.

Northwestern turned on the heat in the third period to score. Starting on the Purdue 43, the Wildcats picked up 13 yards in two thrusts through the line. Then Art Murakowski, All-America fullback in 1948, swept around his left end, cut in and sprinted down the sidelines for 30 yards and a touchdown. Nemeth added the extra point.

Minnesota Opened Season With 48-20 Win Over Huskies

Minneapolis, Sept. 24.—(P)—Minnesota's football team had too much power, poise and speed for Washington and the Gophers opened their 1949 season with a 48 to 20 victory in a non-conference game today.

Washington gave the Gophers a few uneasy moments at the start. Fullback Hugh McElhenry returned the opening kickoff 96 yards for a touchdown but the Gophers, stung by the sudden score, settled down and tied it up before the first period was over.

They added four more touchdowns in the second period to insure victory, then counted once in each of the last two periods.

Only in the waning minutes of the game was Washington able to score on passes. Quarterback Don O'Leary passed 17 yards to End Evy Gossett for their last tally. Washington had counted its second touchdown in the third quarter.

Elusive Left Halfback Billy Bye teamed with slippery Ralph McAlister to tally twice for the Gophers.

Michigan Edges Michigan State 11 In 7-3 Contest

Ann Arbor, Mich., Sept. 24.—(P)—Michigan, the nation's mythical football champion, kept alive a three-season victory string here today by defeating a stubborn Michigan State squad, 7-3.

But it was the closest squeak since the string was started midway during the 1946 season.

The University of Michigan's newly-expanded, 97,239-seat stadium was crammed as Michigan fought off its long-time state rival right down to the final whistle.

Michigan State college thus became Michigan's 24th consecutive victim. But the newly-admitted member of the western conference lost no prestige in making a nip-and-tuck fight of it all the way.

The whole story was told in the first 18 minutes of play. Michigan State took a 3-0 lead on a field goal booted by George Smith, senior quarterback from Wayne, Mich. Michigan retaliated with an 11-yard touchdown pass from its second-string signal-caller, Bill Putich, to veteran end Irv Wisniewski.

ARMY DUMPS DAVIDSON

West Point, N.Y., Sept. 24.—(P)—Army dragged out the 1949 model of its old football machine today, wore off some rusty spots and drove it to a 47 to 7 victory over Davidson in the opening game of the season.

It wasn't until after Army's sixth score, on a 42-yard Galiffa-Foldberg pass, that Coach Blair tried to curb his second offensive unit, quarterbacked by his son Bob. Young Blair pitched a 16-yard pass to Vic Pollock for the final score.

World's shortest subway operates in the 760-foot tunnel between 44 Capitol and the Senate office building in Washington, D.C.

Tiger Eleven Drops Opener To Carrollton In Wild Second Half

Illinois School for the Deaf football representatives succumbed to a powerful second-half drive by a visiting Carrollton eleven and dropped their home opener 26-2 on the westend gridiron yesterday afternoon.

The invading Hawks were in hot water continuously the first half as Art Yates' Tigers snapped at their heels and made them play the westender's own ball game.

Irvyn Carlstedt, ISD tackle, nabbed Carrollton's Bob Grainer in his own end zone for a safety early in the first quarter. The narrow 2-0 lead held good the entire first half when both club's offense bogged down in midfield.

In a Horatio Alger comeback after the halftime intermission, Carrollton suddenly blazed into action and scored three quick touchdowns before the local eleven could recover.

After ISD kicked off to open the second half, and "Buddy" Grainer slipped through right tackle for 7 yards to put the ball on Carrollton's 47 yard marker, Hawk halfback Bob Grainer, an army veteran, skidded around his own left end and raced all the way to score. His kick for extra point was perfect, throwing his club out front 7-2.

Bob Grainer took over the signal-calling job for Carrollton and threw the Hawks into a short punt offensive formation. Their single wing plays had been completely stymied the first half.

Carrollton didn't waste any time scoring their second TD. The visitors kicked to ISD, and tackled Carl Briggs on his own 30 yard line. The first ISD play from scrimmage ended in disaster when a Tiger halfback fumbled and Carrollton recovered.

After hitting the Tiger line once, Bob Grainer southpawed an aerial to end L. Smith who tromped 30 yards to score. Irvyn Carlstedt broke through to block Grainer's kick for conversion this time.

Score Third Touchdown

That didn't end Carrollton's third quarter scoring. ISD ran three plays after taking the Hawk kickoff and was forced to punt. Carrollton started rolling from the 50 yard stripe. The visitors tried two line plays, then a flea-flicker going from Bob Grainer to Jim Ridings to Tom Mayberry, sent Mayberry 45 yards to pay dirt. Grainer changed his strategy and passed out of place-kick formation for the extra point.

Midway through the fourth quarter, Carrollton scored again to give themselves a comfortable 26-2 advantage. Another flea-flicker landed the leather on ISD's one-yard line from where Bob Grainer pushed through center to score. Another pass from Grainer to Ridings counted the conversion.

Carrollton had two long runs, one like this:

Badgers Swamp Marquette 41-0 In Season Opener

Madison, Wis., Sept. 24.—(P)—Wisconsin presented its new football coach, Ivy Williamson, with a rollicking 41 to 0 victory over Marquette in the season's opener today.

A crowd of 42,000 saw Williamson's first Wisconsin squad bury its state rival under six touchdowns, three by passing and three by the overland route. Williamson, former Michigan star, and Lafayette coach, succeeded Harry Stuhldreher as Badger mentor this year.

Marquette, victor over North Dakota State last week by a 66 to 0 score, was set back on its heels by three Wisconsin touchdowns in the second quarter, and never recovered. The Badgers added a touchdown in the third period and two more in the fourth. Lisle Blackburn converted on all except Wisconsin's fifth touchdown by placekicking.

The Wisconsin touchdowns came like this:

Second period, left half Jim Embach, seven yards on a fake kick from placement; left end Hal Hagerman on a 17-yard pass from quarterback Bob Petruska; and Embach on another seven-yard spring.

Third quarter, right end Bob Wilson on an 18-yard pass from quarterback Johnny Coatta.

Fourth quarter, left half Larry Coles on a two-yard plunge; and left end Bob Wartineck on a 25-yard scamper after catching a 45-yard pass from Blackburn.

Ty Cobb Marries But Honeymoon To Wait For Series

Buffalo, N.Y., Sept. 24.—(P)—Tyrus Raymond Cobb, the Georgia peach, was married today, but the choice of a honeymoon site awaits the outcome of the American and National league pennant races.

The only definite plan the couple has, said Cobb, is to see the World Series.

The bride, the former Mrs. Frances Cass, was given in marriage by her father, Dr. John F. Fairbairn.

The ceremony, witnessed only by intimate friends, was performed in Dr. Fairbairn's home by the Rev. William Dudley of Pilgrim First Congregationalist church.

It was Cobb's second marriage. He was divorced two years ago. Mrs. Cobb has been married twice before. Her first husband was killed in an airplane crash 15 years ago. She and her second husband, A. Allen Fusca, were divorced recently.

William Fairbairn Cass, 18-year-old son of Mrs. Cobb's first marriage, was Cobb's best man.

Ohio State Takes 35-34 Win Over Fighting MU Crew

Columbus, Ohio, Sept. 24.—(P)—Ohio State launched its 1949 gridiron season today by defeating Missouri's alert and powerful Tigers 35 to 34 in as wild and woolly an opener as the big Buckeye stadium ever has witnessed.

The two teams totaled 66,510 fans, biggest opening crowd in Ohio's history, to a 10-touchdown parade. A misplaced kick for an extra point by Missouri's John Glorioso, the Tigers' outstanding player, provided the difference.

Jimmy Hague, Buckeye end who came off the hospital list to play the entire game, booted five in a row for the victors.

Three times the aroused Tigers, who haven't beaten the Bucks in nine straight contests, forced Ohio to come from behind as they scored touchdowns in each of the first three periods.

Beldy by a point with three seconds to go, Missouri still had a chance to win, but Glorioso's place kicking from the 31-yard line fell short, taking the Tiger hopes with it.

The "Shon-Me" boys, held to 66 yards on the ground and 25 through the air a year ago when Ohio won 21 to 7, rolled through the big Buckeye forward wall for 250 yards rushing and took to the air for 257 more today. Against Missouri's 507-yard gain, Ohio had 430.

Knox Whips North Central 25 To 6

Galesburg, Ill., Oct. 24.—(P)—Using an aerial attack to better advantage than rushing, Knox College defeated North Central today in a little nine conference football game, 25 to 6.

Slawshers scored two touchdowns and one conversion in the first quarter. A 30-yard pass gave North Central a touchdown in the second period, but Knox clicked on a 20-yard pass to lead, 19 to 6, at the half.

An intercepted pass followed by a lateral and a 20-yard run gave Knox its final touchdown in the third quarter.

Someone to Love

By IRENE LONNEN ERNHART Copyright, 1949, NEA SERVICE, INC.

THE STORY: When Tod Dan-ran's fiancée, Liz Conover, elopes with another man, Tod turns to his old friend, Jenny, for help. Jenny has always been a crash on Tod but when Tod proposes she is afraid it is "on the rebound." Tod says it is not and Jenny accepts. What Jenny does not know is that Tod has seen a picture of Liz on her return from her honeymoon. Tod plans to get married quickly, and forget Liz, but he finds that Liz's father is calling his home, trying to get Tod to accept a job in his firm. Tod tells his mother he has "other plans," but he does not tell her that he intends to marry Jenny.

VI

THE three days passed in an exciting whirl for Jenny. The girls at the shop gave her a shower: wonderful accessories to go with the cloud pink suit in which she would be married.

Max gave her a hat, a dream, cloud pink to match the suit. She had protested, knowing the exclusive label and the price. But Max insisted.

"Just promise me one thing, Jenny darling," he said. "Don't quit the shop. You're the best model I've got."

"I'm not quitting," Jenny said, tucking the hat into its crisp tissue paper nest in the new hatbox.

"Tod's planning to finish college next winter, and he won't have scholarship this time. I'll have to keep working."

"Fine!" Max gave her a quick hug. "I hope your Tod goes on and on with his schooling, if it means you'll stay that much longer."

"I'm not that good," Jenny protested, laughing. Everything was wonderful and so exciting.

Tod was to be out on his sales territory in the southern part of the state Tuesday and Wednesday but Thursday morning he would come by for her and they would get their license and go to a justice of the peace. They hadn't had time to talk about the details, but Jenny had expected that. Tod would bring his mother with him.

his mouth on hers, his hand pressed against her throat. Suddenly all her doubts were dissolved.

THE ceremony in the shabby garish parlor had neither dignity nor reality. Jenny always remembered the threadbare red carpet, the framed mottoes on the walls, the bouquet of dusty paper roses on the battered upright piano, the limp soiled lace curtains at the windows.

Tod felt a lack too, and when they were back in the car he said, "I'm sorry it wasn't something better, Jenny. We should have gone to a church and done it right."

"It doesn't matter really, Tod," Jenny whispered. "It isn't the ceremony—but the years that come after it—that matter anyway. I hope they'll be good years for us both and last the rest of our lives."

"I hope so too," Tod said slowly. He felt a little shaky, wishing all at once that he had never known anyone but Jenny, that he had never been in love with anyone else. "Well," he said rather grimly, "from now on we'll do it right, at least. Bridal suites and champagne and stuff!"

But whatever Tod meant by "champagne and stuff," there was very little luxury on the honeymoon trip.

They had meant to reach Chicago by evening, but something went wrong with the car, and they were stranded in northern Indiana.

Of their honeymoon Jenny remembered more clearly than anything else the cramped little tourist cottage where they spent that night together; the sleazy blue spread on the chipped white enameled iron bed, the old insurance calendar on the wall, the fly-specked light bulb, the smoky cracked mirror on the dresser; and the smell of frying hamburgers from the all-night truck stop restaurant nearby mingled with the country smells of hay and clover and honeysuckle and dust; the roar of traffic pounding by on the state highway, plus the sound of music from the jukebox in the roadside tavern.

HOLES IN FLAT EARTH WORRY ETHIOPIANS

Addis Ababa, Ethiopia.—(P)—Since the world is flat, the Sinclair Petroleum Company had better take care that its drills don't burst through the other side and let all the oil leak out. And anyway, how can oil have been formed millions of years ago when the present year is only 1949?

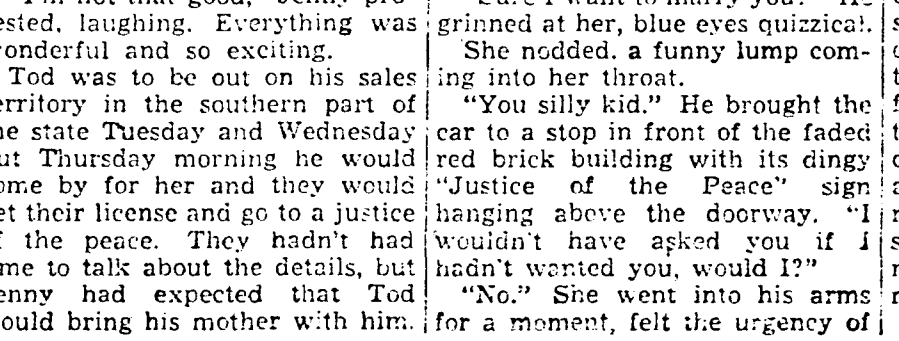

Those are typical remarks of back-country Ethiopians to Rene J. Bender, who has the unique job of explaining to a backward people why

Glenn E. "Red" Beeley Dies Of Heart Attack

Glenn Everett Beeley, night foreman of the Journal-Courier composing room, died suddenly at 3:15 p.m. Saturday, a quarter hour after he was admitted to Our Saviour's hospital suffering from a heart attack. He had been under medical attention for some time for this condition, but had been feeling much improved since his return to work Monday night, Sept. 19.

At noon yesterday, however, he suffered another attack, which ended in death.

The remains were taken to the Reavy Funeral Home, where they will remain until time for services at the Church of Our Saviour at 9:30 a.m. Tuesday. Burial will be in Calvary cemetery.

The family will meet friends at the funeral home today and Monday, from 3 to 5 o'clock in the afternoon and from 7 to 9 o'clock in the evening.

"Red" Beeley was born in Meredosia on June 11, 1911, a son of J. E. Beeley and Etta Butcher Beeley. The family came to Jacksonville when he was five years old, but moved to a farm near Bluffs 16 years ago.

He had been an employee of the Journal-Courier for 27 years, rising through the ranks from city route carrier, the mail department, assistant pressman, job pressman, typographical apprentice and journeyman. He was appointed night foreman two years ago.

He married Bernice Quinlan of Jacksonville on Jan. 20, 1934. She and their three children, Larry, Glenda Ann and Donald Edward, survive him.

Other survivors include his parents, three brothers, Marvin of Lamont, Ill., Alfred of Santa Monica, Calif., and Bernard of Bluffs, and two sisters, Mrs. Harold Morthole and Mrs. Cecil Strubbe, both of Bluffs.

He was a past president and influential member of Typographical Union, Local 356.

50th ANNIVERSARY

Mr. and Mrs. Steve Cawood will hold open house Wednesday afternoon from 2 to 5:30 in honor of their 50th wedding anniversary.

The Cawoods were married here Sept. 28, 1899, at the home of the bride's mother, Mrs. Sarah Cull, with the Rev. C. P. Colley of Cumberland Presbyterian church officiating. Mrs. Cawood is the former Miss Flora Collins.

Their attendants were Mr. and Mrs. Jack Taylor.

Mr. and Mrs. Cawood have made their home in this city, where he has followed the trade of painting papering. He is still active in this trade, in addition to his many hobbies, including magic.

G. A. A. Of Illinois School For Deaf Observes Founding

Members of the Girls' Athletic Association at the Illinois School for the Deaf observed Founder's Day with a dinner at the country home in Springfield yesterday. Forty students and teachers attended. A smorgasbord chicken dinner was served with tables attractively decorated in the G.A.A. colors, green and white.

The I.S.D. G.A.A. was organized September 23, 1924, with Miss Helen Kent, now of Sault Ste Marie, Mich., as sponsor. Mrs. Emma S. Johnson and Mrs. Lillian G. McFarland were appointed on the faculty committee. The former is the present sponsor. Fifteen members were in attendance at the first meeting of the association 25 years ago. During those years approximately 375 girls have been members.

Catherine McKinney, this year's president of the local school's G.A.A., presided at the after dinner program. Among those participating were Mrs. Emma S. Johnson, Mrs. Dorothy R. Campbell, one of the fifteen original members, and Mrs. Mary S. Standley who was one of the early advisers. Barbara Rogers and Rosemary Blazer were the interpreters. Among those attending were Mrs. McFarland, Mrs. Ferol S. Thorn, a member of the faculty committee since 1927, and Mrs. Violet H. Olsen and Mrs. Helen M. Cress, early members of the association.

On Oct. 28 the G.A.A. alumnae of the local school will hold a silver anniversary banquet at the Masonic Temple. Plans are in charge of Mrs. Campbell and Mrs. Thorn of this city; Mrs. Dorothy H. Sellers of Rockford and Mrs. Myril A. Caffero of St. Louis. About 200 are expected to attend.

MRS. OTIS VANWINKLE VISITS WEST COAST

THE NEW ILLINI—'A SHOVING FOOL'

River A Highway For Boats Laden With 'Everything'

By Cecil Tendick

Sincere thanks are here accorded to Messrs. Flynn, Bunting, Crandall, et al., for their kindnesses which secured the writer a most enjoyable trip on the 22nd and 23rd inst. aboard the new riverboat, the Illini, owned by the Illinois Farm Supply company. Judging from the enterprise and acumen displayed, the continued success of the company is a veritable certainty.

The paragraph is an apish attempt at journalistic phraseology current in the days when the steamboat was king in western waters, when a packet was the only easy way to travel.

It hasn't been too long ago that Springfield and Jacksonville big-wheels used the Northern Cross railroad when they wanted to go to St. Louis. The Naples Packet Line made connections with the trains and their speedy boats hauled the passenger into St. Louis, "in style."

Such River Traffic

But today there are many good ways of travel. The reign of the steamboat ended long ago, but a surprising traffic still goes on, day after day, on Illinois waterways. In fact, total tonnage transported on the Illinois river surpasses that hauled before the steamboat was boosted out by the railroad network. Today's cargoes are bulky, "non-perishable" products, such as corn, wheat, soybeans, gasoline, motor oil, sulphur, sugar, scrap iron, coal, sand and gravel.

In 1948 river barges carried an all-time high of wheat, corn, oats, soy and soybeans to Chicago. In 1933 only 137,000 bushels went there by barge. Since 1945 receipts by barge have more than doubled.

In 1947-1948 nearly one-fourth of the corn received at Chicago arrived by barge.

Farmers Own Boats

These figures are interesting. A determination to examine the men and machinery who make such figures uncovered the fact that the farmers of this area have much to do with it. The Illinois Farm Supply company, cooperative charged with furnishing it with fuel and motor oil, now owns and operates three boats: the Blue Seal, the Wabash and the Illini.

These three powerful boats push barges laden with millions of gallons of petroleum product for Illinois tractors against the stubborn current of the Mississippi and up the gentle Illinois to a giant terminal at Kingston Mines, downriver from Peoria. From there it is trucked to the farms. It replaces the oats and hay that fed horses; the power units of Morgan county farms not too long ago.

Frank J. Flynn of Murrayville is the long-time secretary of this group. Morris Crandall is in charge of the Kingston Mines terminal and J. E. Bunting is the manager of the local branch, the Morgan County Service company.

A storm of a trip from Kingston Mines to Alton locks will appear in Tuesday's Journal Courier.

Jersey Pigeons Safe Now; Shooters Too Destructive

By Cecil Tendick

Jerseyville—Flocks of pigeons have returned during the past two weeks to the courthouse tower in this city, and for the first time in many years the birds are comparatively safe there.

The County Board of Supervisors at a recent meeting passed a resolution banning the shooting of the birds hovering and roosting about the courthouse tower. It was not principally for the love of the birds that the board took this action, but because of the damage that was done in past years by parties shooting pigeons against the tower.

The old statue of Justice, which until a year ago stood at the top of the tower, was found to be literally riddled with bullet holes. And the old statue was not alone in its condition. For gutterings and other items associated with the structure of the tower and roof of the building had also suffered. The statue was in such condition that it was removed from the top of the dome, and a metal ball substituted as an ornamental item.

In past years when the pigeons became too numerous about the

Birthday Luncheon At Bolle Residence For Concord Lady

Concord — A delightful birthday luncheon was held Friday at the home of Dr. and Mrs. Arthur Bolle, west of Jacksonville, for Mrs. Bolle's mother, Mrs. Mary Aton, of Concord.

The guest of honor and friends and members of her Sunday school class were seated at a beautifully appointed table in the spacious candle-lit dining room. Antique candelabra and a lovely floral centerpiece were arranged for table decorations.

At the close of the luncheon, a three tiered candle-decorated cake was cut by Mrs. Aton for the guests. A program was conducted by Mrs. Troy Williams.

Mrs. Aton formerly resided in Jacksonville, where her husband now deceased, was employed. On retiring they purchased a home in Concord where Mrs. Aton resides with her housekeeper, Mrs. Mary Thornton.

Mrs. Aton received many lovely gifts and congratulatory messages, including one from her grandson Joe Dadds, Jr., of San Antonio, Tex. She is the mother of eight children.

They are: Charles Aton, postmaster, Jacksonville; Mrs. Joe Dadds and Mrs. Arthur Bolle, of Jacksonville; Mrs. Blanche King, New Orleans, La.; Mrs. Mary Sanders, Arkansas City, Kans.; Mrs. B. N. Hasty, Des Moines, Ia.; Merwin Aton, aviator for American Airlines, Tulsa, Okla.; and Mrs. Rita Donaldson, who resides with her mother.

Among the guests were: Mrs. Margaret Brown, Mrs. Henry Edlebrock, Mrs. Frederick Bayless, Mrs. Charles Aton, Mrs. Joe Dadds and Mrs. Augusta Rentschler, all of Jacksonville.

Mrs. Warner Newcomb Entertains Garden Club

Mrs. Warner H. Newcomb was hostess to the Garden club on the south terrace of her garden at 409 Woodland, Saturday afternoon from 2 to 4. She gave a talk on "Pottery and Its Use in Flower Arrangement."

Mrs. Newcomb spoke with the interest of a true collector, describing first the simplicity and unspoiled taste, the grace and freshness of primitive pottery; then of the trials and rewards to be found in pottery; the strength, firmness and refinement that result from the stress of the furnace fires just as the path to strength in life leads through the furnace of trial.

The Newcomb collection contains only hand made pieces, many with no copy. Each piece exhibited was accompanied by the story or adventure that attended its acquisition, the life of the potter, the history of the craft or the picturesque of the locale of the pottery.

The speaker stressed high standards of workmanship necessary to produce fine pieces, whether in the making of a tray for ashes, a vase for flowers or a bean pot for food. Vases, large and small ink stands, copies of Chinese pottery and flower arrangements of her garden roses and dahlias were used in the illustrations.

Mrs. Newcomb shared with Garden club members some of her letters from eminent potters in various sections of the country; her colored plate collections depicting the metamorphosis of the clay from the cold warm to the finished glazed colorful copper toned vase.
